

REGULATIONS GOVERNING THE USE OF THE CERTIFICATION MARK OF OZONE FRIENDLY PURE CEYLON TEA

1. Introduction

(a) Sri Lanka Tea Board

The Sri Lanka Tea Board (hereinafter called SLTB) is a body incorporated under the provision of Sri Lanka Tea Board Law No.14 of 1975 of the Parliament of Sri Lanka for the purpose of administering, controlling and regulating the tea industry in Sri Lanka. The SLTB is empowered to take measures to regulate the tea cultivation, manufacture, sale, export, import and marketing of tea as provided for in the Tea Control Act No.51 of 1957, Tea (Tax and Control of Export) Act No.16 of 1959 and Sri Lanka Tea Board Law No.14 of 1975.

(b) The Board of Directors of SLTB consists of a Chairman, and other members who have knowledge and experience in different aspects of the tea industry with special reference to planting, research, manufacture, marketing, sale, export etc. nominated by the Minister under whose purview the subject of Plantation Industries falls.

(c) Ceylon Tea from Sri Lanka

Sri Lanka, formerly known as Ceylon, is an island of 65,610 sq.km., situated four degrees North of the Equator, ascending from Sea Level to approximately 2400 meters above the sea level (Map of Sri Lanka attached). Teas produced in Sri Lanka are known as Ceylon Tea as the country was known as Ceylon until it became a Republic in 1972. The first commercial tea plantation was established in Sri Lanka in 1867 and tea is grown in three different elevations from Sea Level as detailed below:

- ❖ From Sea Level upto 600 meters known as Low Grown Ceylon Tea
- ❖ From 600 meters upto 1200 meters known as Mid Grown Ceylon Tea
- ❖ From 1200 meters and above known as High Grown Ceylon Tea

(d) Montréal Protocol Implementers Award

Methyl Bromide (MeBr) which is an aggressive Ozone Depletion Substance (ODS) had been used in Sri Lanka in the pest management in agriculture, product storage, warehousing, quarantine and pre shipment (QPS) purposes. Under the “Montreal Protocol”, Sri Lanka implemented two projects to phase out Methyl Bromide usage for non quarantine and pre shipment (QPS) purposes. The project on Tea Sector was successful in finding and adopting environment friendly technologies without use of Methyl Bromide on the Tea production. It was completed in 2002 and Sri Lanka received the “Montréal

Protocol Implementers Award” in 2007. Accordingly, Ozone Friendly Pure Ceylon Tea is marketed worldwide as an environment and Ozone Friendly product.

2. Ozone Friendly Pure Ceylon Tea

Ozone Friendly Pure Ceylon Tea means:-

- (a) teas cultivated, grown or manufactured in the tea gardens and factories in the tea growing districts of Sri Lanka, listed in the Annexure I, without use of any Ozone Depletion Substances.
- (b) teas cultivated, grown or manufactured without use of any Ozone Depletion Substances in any of the tea gardens/factories located in the tea growing districts of Sri Lanka listed in Annexure II, which have been registered with SLTB in accordance with provisions of Tea Control Act No.51 of 1957, Tea (Tax and Control of Export) Act No.16 of 1959 and Sri Lanka Tea Board Law No.14 of 1975 of Sri Lanka, and may be updated from time to time by the SLTB.

3. Ozone Friendly Pure Ceylon Tea as a Certification Mark

Thus, Ceylon Tea cultivated and manufactured in the territory of Sri Lanka without the use of Methyl Bromide (MeBr) or any other Ozone Depletion Substances is the world’s first to achieve the “Ozone Friendly Tea” recognition under the Montréal Protocol Treaty and is registered as a Certification Mark by Sri Lanka Tea Board.

4. Ownership of Certification Mark

- (a) The SLTB being the apex Government Institution responsible for supervision, administration and development of the Tea Industry in Sri Lanka, duly owns and holds the right to register the Ozone Friendly Pure Ceylon Tea Certification Mark.
- (b) Being the owner of the Certification Mark of Ozone Friendly Pure Ceylon Tea, Sri Lanka Tea Board has the sole control over the cultivation, manufacture and export of Ozone Friendly Pure Ceylon Tea and is the Authority for monitoring and certifying the authenticity of Ozone Friendly Pure Ceylon Tea sold in Sri Lanka and exported from Sri Lanka for issue of permission to use the Certification Mark.

- (c) The Certification Mark of Ozone Friendly Pure Ceylon Tea is the absolute property of the Owner and shall not be used by any person without the written authorization of the Owner. The power of granting and terminating the authorization or license to use and employ the Certification Mark is vested absolutely in the Owner. The decision to grant non-exclusive permission and/or cancel is dependent solely on conformity or otherwise with the criteria/guidelines and conditions set forth herein.

5. Licensing Scheme

The registration of the Certification Mark of Ozone Friendly Pure Ceylon Tea is introduced to ensure that authenticity of Ozone Friendly Pure Ceylon Tea is duly maintained locally & abroad. The use of the Ozone Friendly Pure Ceylon Tea Certification Mark guarantees that teas sold under the Certification Mark are produced in the respective tea growing districts of Sri Lanka without use of Methyl Bromide (MeBr) or any other Ozone Depletion Substances and meet the standards laid down by the SLTB under this regulation.

This regulation and license scheme will provide the SLTB the necessary information and supervision over the use of Certification Mark on Ozone Friendly Pure Ceylon Tea. A license to use the Ozone Friendly Pure Ceylon Tea Certification Mark will be granted without discrimination to any person who applies for same provided the applicant meets the required criteria.

6. Use of Ozone Friendly Pure Ceylon Tea Certification Mark

- 6.1 An application Form as per Annexure IV be made to Sri Lanka Tea Board to determine as to whether such person is eligible to be registered as an authorized user.
- 6.2 Signing of an appropriate License Agreement with the Owner or obtaining a letter of Authority in accordance with this Regulation. No person shall market teas using the Ozone Friendly Pure Ceylon Tea Certification Mark except under the authority of a letter of approval and/or certificate issued by the Owner.
- 6.3 The SLTB shall decide on a suitable License Fee for usage of the Ozone Friendly Pure Ceylon Tea Certification Mark, which may be revised periodically. The appropriate License Fee is payable by the Licensee within the given period.

- 6.4 Every Licensee will be issued a License Number which shall be printed on all retail packages along with the statement “Ozone Friendly Pure Ceylon Tea - Registered Certification Mark of Sri Lanka Tea Board”. This statement may be put on a suitable place of the pack.
- 6.5 A completed application form shall be forwarded in respect of each retail package design and be accompanied with a tea sample.
- 6.6 The Ozone Friendly Pure Ceylon Tea Certification Mark shall be depicted as in the Annexure III. The Certification Mark shall be used only in relation to such teas that satisfy the requirements of non use of Methyl Bromide or any Ozone Depletion Substances as described in the Regulation. The license may decide the way in which the Certification Mark may be represented including size and lettering etc. However, the Owner shall have the right to object to the manner of such representation if it is of the opinion that the manner of such representation is unsuitable. The decision of the Owner in this regard shall be final and conclusive and shall not be questioned other than as provided in clause 10.
- 6.7 These rules shall apply to natural or legal persons who are tea producers, manufacturers, exporters, packers and dealers desirous of using the Ozone Friendly Pure Ceylon Tea Certification Mark on consumer packages of tea, less than 03Kg in weight put up for the purpose of retail sale in domestic or foreign markets.
- 6.8 Only retail packages containing Pure Ceylon Tea will be eligible to use the Certification Mark. The packages may contain blends of Pure Ceylon Tea produced in more than one tea garden/estate in Sri Lanka listed in Annexure II. The Certification Mark shall not be used on tea packages of Pure Ceylon Tea blended/mixed with teas of other origins. If Pure Ceylon Tea is one of the components of a tea blend/mixture that includes some portion of other origin tea that does not conform to characteristics or quality parameters defined in Article 2 of this regulation, the tea blend/mixture should not be named or referred to as Ozone Friendly Pure Ceylon Tea and the words ‘Ceylon Tea’ may only be used and must be used on the packaging to accurately set forth the proportion of Ceylon Tea in the tea blend/mixture (eg: in a list of ingredients). In such cases, the term ‘Ceylon Tea’ must appear in a font, design and size that does not misrepresent to the consumer, the content and origin of the tea blend/mixture.
- 6.9 The approval of the Owner for the design of the Certification Mark on each package shall be obtained before printing of that package commences. The package design shall not be changed thereafter. If the Licensee desires to change the package design a fresh application should be submitted.

- 6.10 Any person who wishes to use the Ozone Friendly Pure Ceylon Tea Certification Mark on tags attached to Tea Bags, shall also print the Certification Mark on the retail package, subject to the above.
- 6.11 The License is not assignable or transferable.
- 6.12 No person engaged in any registered trading activity in tea to whom a letter of approval and/or certificate is issued to use the Ozone Friendly Pure Ceylon Tea Certification Mark under this regulation shall export or market locally, tea of a quality different from the original sample unless prior approval has been obtained from the owner for a change of content. The SLTB at its discretion may require a fresh application to be lodged.
- 6.13 Every person who engages in any approved undertaking using the Certification Mark shall comply with such directions and requirements as may be issued by the Owner periodically and shall maintain such records as required.
- 6.14 Every Trader who uses the Ozone Friendly Pure Ceylon Tea Certification Mark shall ensure that:
- I The Certification Mark shall be of a size which is proportionate to the package/ Container.
 - II The Certification Mark is applied in such a manner as it may be easily and clearly visible to consumers/purchasers as a distinct mark of the relevant package/ container.
 - III That it does not contain any material that would cause prejudice or harm to the Owner and/or the Certification Mark and to its reputation and goodwill.
- 6.15 An authorized user or Licensee and/or its agents, servants and/or otherwise shall not use or seek to register either in Sri Lanka or elsewhere in the world the Ozone Friendly Pure Ceylon Tea Certification Mark as a Trade Mark, or as part of a Trade Mark or trade name, for the goods or services of the said user. Any package design sought to be registered in its entirety shall omit the Certification Mark irrespective of whether the applicant is a Licensee or not.

7. Register of Authorized Users

The owner shall keep at its registered office at No.574, Galle Road, Colombo 3, Sri Lanka, a Register where names, addresses and other details of authorized users of Certification Mark will be entered.

If all conditions in this regulation are fulfilled the authorized users of Certification Mark shall become effective as of the date of submission of the application and shall be recorded in the Register.

8. Monitoring of Certification Mark Scheme

To ensure the integrity of the supply chain and authenticity of Ozone Friendly Pure Ceylon Tea, the Owner shall monitor the approved agricultural practices in any tea plantation, tea factory or tea packing plant to satisfy itself that all parameters laid down by the Owner are being adhered to and complied with. All Licensees shall submit to the Owner a report on production, sale and export of Ozone Friendly Pure Ceylon Tea in the form of Annexure IV for a calendar year period. The owner shall be entitled to inspect any premises where Ozone Friendly Pure Ceylon Tea is produced, marketed or exported etc. prior to and after granting of approval, with reasonable notice or if thought fit without notice to applicants and Licensees.

For the purpose of monitoring the legitimacy and quality of Ozone Friendly Pure Ceylon Tea sold in Sri Lanka and exported from Sri Lanka the Owner may request the Licensee to submit samples of tea for inspection. Licensee shall submit any samples requested within one week of receipt of such request from the owner.

9. Breach of Contract

- 9.1 If a Licensee, uses the Ozone Friendly Pure Ceylon Tea Certification Mark in an unauthorized, misleading or deceptive manner or in any manner that defame or bring disrepute to the Owner or the Certification Mark or is convicted of any offence leading to discredit the Licensee reputation as a trader, or is declared bankrupt or goes in to liquidation, or has sought, either by itself or through it's Servants or Agents to register the Certification Mark or a mark similar to or deceptively similar to the Certification Mark either in Sri Lanka or overseas and/or is found to have indulged in acts of unfair competition and/or infringement and/or passing off, the Owner may terminate the License forthwith.
- 9.2 If a person to whom a letter of approval and/or certificate is issued to use the Certification Mark contravenes or fails to comply with any of these rules or conditions, the SLTB may withdraw/terminate such approval without prior notice and at it's absolute discretion that shall not be questioned other than as provided in Clause 10.
- 9.3 If the Owner terminates the License, the former Licensee shall not use the Certification Mark for any purpose, whatsoever or howsoever.
- 9.4 Except as set forth herein, the Owner may not terminate a License during it's validity period.

9.5 Infringement or falsification of the Ozone Friendly Pure Ceylon Tea Certification Mark is an offence under the Intellectual Property Act No.36 of 2003 of Sri Lanka.

10. Dispute Settlement

In the event of the issue of permission being refused or License being terminated by the Owner, the person concerned shall, within Thirty Days of such refusal or termination have the right to appeal against such refusal or cancellation to the Secretary of the Ministry under whose purview the subject of Plantation Industries falls provided that he/she at the same time gives notice to the Owner. The Secretary of the Ministry shall inquire into the dispute and his/her decision shall be final and conclusive and binding on the Owner and the applicant/licensee concerned and shall not be called in question.

11. Delegation of power

The Owner may authorize such persons as deemed appropriate by it to inspect the cultivation manufacture, packing and sale of Ozone Friendly Pure Ceylon Tea in Sri Lanka and abroad to act as an Agent for issue and termination of permission for use of the Ozone Friendly Pure Ceylon Tea Certification Mark. Such persons may include, for example, expert tea tasters or such other persons or bodies deemed competent under the relevant laws in force in Sri Lanka from time to time.

12. Amendments to the Regulation

The Owner shall have the power and authority to amend, change, alter, repeal or cancel any or all of the regulation from time to time without prior notice to the authorized users of Certification Mark.

13. Notices

Any notice given by the Owner to registered users or the user to Owner shall be deemed to have been duly given if forwarded through registered post to the respective addresses given by the two parties.

14. General Definitions
